Topic: *Application for a New Contract for a new Dentist based at Deane Clinic One Stop Health Centre, Bolton. Deane Clinic One Stop Health Centre provides comprehensive services under one roof, with longer opening hours to provide access, quality and patient choice.*

The Deane Clinic One Stop Health Centre has been providing comprehensive holistic NHS Health Care for our local population, with longer opening hours since 2005. Recently the dentists have vacated our premises.

A dental survey involving 1130 of our GP Practice patient population identified the following:-

- Approximately 65% of our practice population did NOT have a dentist.
- 75% of our practice population who had a dentist were not satisfied with their current dental service.

If you or your family do not have a dentist, or are not satisfied with your existing dentist and agree that there is a need for an additional dentist based in the Deane Clinic, could you please sign the petition.

Could you please sign One Petition for One Person

We, the undersigned, want the Bolton PCT to support the application for a new dentist based at Deane Clinic One Stop Health Centre.
